## About KOHINOOR DECOR

### Who we are?

Incorporated in the year 1998, we 'Kohinoor Decor' are a sole proprietorship-based firm engaged as the foremost wholesale supplier and service provider for Interior designing and False Ceiling Products (Gypsum Plaster, Plaster of Paris, Gypsum Boards, P.O.P. Sheets, Metal Framing Accessories – G.I. Ceiling Sections, Aluminium Ceiling Tiles, Metal Ceiling Tiles, PVC Panels) and False Ceiling Services. Our products are high in demand due to their premium quality and affordable prices. Furthermore, we ensure to timely deliver these products to our clients, through this we have gained a huge client's base in the market. Under the direction of our mentor 'Mr. Mohd. Ilyas Sheikh (Proprietor)', we have been able to achieve a reputed name in the industry.

We, at Kohinoor Decor, one of the most recognized and leading manufacturing and trading firms in Nagpur, provide you with different types of Interior Designing, Gypsum False Ceiling (Residential/ Commercial), Installations, Maintenance or repairing at a professional rate of prescribed designs.

Our business is generally known for its next level ceiling designs, their resistance to extreme weather conditions, ease of services provided and skilled installations by workers.

We also take part in trading all varieties of ceiling products (Gypsum Powder, Gypsum Boards, Ceiling Tiles, Ceiling Sections, Gypsum and Plaster of Paris sheets) at a much cost-effective rate.

### From our Executive Owner,

With my 25 years of experience in this stream of interior designing, false ceiling contracts and all related Gypsum works, I have been able to recognize every bit of trading and supplying every commodity in this scenario.

Our business usually deals with better customer satisfaction with every ease of better execution of the work. Our executing staff never fails to perform their tasks regardless of the direction they have been given.

#### Mohd. Ilyas Sheikh

Owner and Founder at Kohinoor Decor, Nagpur

## PLASTERING / PUNNING SYSTEM

*Gypsum plastering is an environmentally friendly alternative to traditional sand-cement application for internal plastering surfaces.*

*Witness our World Class execution of the best Plaster Finish*

Gypsum plastering / punning is also a faster application method for internal surfaces, since it does not require time consuming water curing process. Water curing process is mandatory for 20 – 21 days after sand-cement plastering to reduce shrinkage cracks arising due to heat of hydration. Gypsum plaster is mixed with clean water in recommended proportion at site to make a consistent slurry. Gypsum plaster slurry is then applied at desired thickness on walls and ceilings by trained applicators, this process is called as Gypsum plastering / punning.

We are the topmost Plastering / Punning services provider for Interior walls and Ceilings. Our professional experts render punning Services and installation services with the latest execution technique of the work methodology. These services are effectively timely provided by us.

## Gypsum Punning

We are engaged in offering our clients an exclusive range of Gypsum Wall Punning services. Our offered services are available with thick Layer of super-fine gypsum plaster. We assure our clients that this can be ideally applied over selected existing surface on the wall and columns, wall right angle and to seal all pits, holes and joints, etc.

<b>Material</b>	Gypsum Plaster
<b>Work Technique</b>	Labor
<b>Application Area</b>	Ceilings & Interior Walls
<b>Thickness of Plaster</b>	10 mm to 18 mm

## Plaster of Paris (POP) Punning

We are offering a large collection of POP Wall Punning Services. Our highly skilled professionals offer the punning work as per the client demand and on well-defined parameters. Addition to this, our services are reliable and flexible, close coordination with clients, quick service, and as per the modern industry norms.

<b>Material</b>	Plaster of Paris (POP)
<b>Work Technique</b>	Labor
<b>Application Area</b>	Ceilings & Interior Walls
<b>Thickness of Plaster</b>	10 mm to 18 mm
